

**CALLING ALL STUDENTS, TEACHERS, PARENTS,
NON-PROFITS & BERKSHIRES RESIDENTS**

**LEEF Grants Available
to Bring Your Idea to Life!**

What: The Lenox Education Enrichment Foundation (LEEF) is currently accepting grant applications from teachers, parents, students*, non-profits and Berkshires resident with projects that inspire creative thinking, build confidence and promote teamwork in Lenox Public School students.

*High School students may apply independently; middle and elementary school students may apply with an adult co-applicant. We recommend that all students engage an *in-school co-sponsor* (teacher or other school administrator) to show support for a project idea.

Who: Launched in 2003, LEEF is an endowed fund of the Berkshire Taconic Community Foundation. Since then, the initiative has awarded nearly \$75,000 in grants for projects, funding an average of 6-7 new programs per year. These opportunities include: class field trips; visiting speakers; artists-in-residence; extracurricular activities; and more!

When: The application deadline is Tuesday, January 15th, 2019!

How: To learn more and apply for a grant submit your proposal online at:

www.berkshiretaconic.org/LEEF

To view past projects supported by LEEF, visit: <https://www.facebook.com/LEEFLENOX/>

LEEF's Mission

LEEF's mission is to enrich the education of students in the Lenox Public Schools by underwriting projects that support the curriculum, encourage creativity and innovation, and enhance the school and community partnership.
